

Avon Valley College School Games Level 2 Rugby Festival

This year Avon Valley College played host to the annual School Games Level 2 Year 7 Rugby Day.

The day consisted of coaching stations in the morning followed by a festival in the afternoon.

The boys were split into mixed groups of 10 and worked their way round the five stations namely – Tackling, Handling, Scrumming, Rucking and Gameplay.

The festival saw the three Schools play in a round robin competition.

There was some great handling and break away tries and in defence some hard tackles.
