

Avon Valley School Games Level 2 Gymnastics Festival

The level 2 School Games Gymnastics Festival took place at Avon Valley College. Teams consisted of a maximum of 6 with the top four scores counting.

The girls had learnt a set sequence that they performed individually in front of the three judges, all year 10 students from AVC (Katie Gambold, Jessica Johnson and Kirsty Lane). They then had to demonstrate a squat-on vault with either a stretch jump or a star jump off.

Thank you to Laura Cordell who helped supervise the girls and lead them in a cool down.
