

Avon Valley School Sports Partnership School Games level 2 Netball festival

The annual AVSSP year 7 Netball day took place at Avon Valley College on a very wet Thursday.

The day is aimed to help the girls make the transition from High Five to 7 aside and encourage them to attend extracurricular club ready for the league. Plans had to change and the event moved to the sports hall.

The following schools attended each bringing two teams—Avon Valley College, The Wellington Academy, Stonehenge and St Johns.

The girls were split up into 5 different groups and they spent 20 minutes on each coaching station after completing a whole group warm up.

The stations were run by the School Teachers and Hollie and Karen from Stirling Netball club.

They included SAQ, Footwork, Ball handling, Defending and dodging all skills that would be needed in the game play.

The students stayed in mixed groups and played end ball. After lunch the tournament commenced due to being indoors we split the competition in to an A and B, with each team in each playing in a round robin.
